

## Corporate Sponsorship: *let us connect you to our community*

***It's Easy!* One contribution, and your business or organization is included as a corporate sponsor for our entire year's event calendar.**

Participation helps your company or organization reach the DRHS community – a committed, vibrant and varied audience. You also support the educational and preservation activities of the DRHS.

Our Commitment to You: we pledge to be the best possible partner and get you maximum exposure.

We are Duxbury History! The Duxbury Rural & Historical Society (DRHS) has been preserving Duxbury's history and rural character since 1883. With four historic houses, a significant collection, the Drew Archival Library and over 160 acres of land, we are the caretakers of the town's history.

Who You Reach: our community is a supportive and involved group, with an active Board of Directors; over 650 member households; 500 dedicated volunteers; more than 2,600 Facebook & 800 Twitter followers; and a town of more than 15,000 engaged residents. Promotion for our events is shared widely with the Duxbury community, DRHS membership and across the greater Boston area, South Shore, South Coast and Cape Cod.

### Program Highlights:

- The sponsorship year is a calendar year: January 1 through December 31.
- Sponsorship is accepted at any time during the year, but the earlier the better to reach the widest audience possible.
- Your sponsorship will be included as support for all major events scheduled during the current year, events like *Christmas at King Caesar* and *Clark's Island*.
- You receive recognition on our events website and acknowledgement in our printed newsletters, event flyers, and digital communications.
- Each month, one of our corporate sponsors is chosen to be highlighted in our E-bulletin, social media and on our website. You could be next!
- Sponsorship in any amount is appreciated and helps to grow the DRHS.
- Sponsorship at higher levels has additional perks, including special tours and recognition.
