

Corporate Sponsorship: Let us connect you to our community

One contribution, and your business or organization is included as a corporate sponsor for an entire year's event and program calendar.

Participation helps your organization reach the DRHS community – a committed, vibrant and varied audience. You also support the educational and preservation activities of the DRHS.

Our Commitment to You: we pledge to be the best possible partner and get you maximum exposure.

The Duxbury Rural & Historical Society (DRHS) has been preserving Duxbury's history and rural character since 1883. We care for and preserve 7 historic structures including 4 historic houses and an archival library, as well as a significant museum collection and archives, and over 150 acres of land. We are the caretakers of the town's history, in a place where Place Matters.

Corporate Sponsorship Reach:

Our community is a supportive and involved group, with an active Board of Directors; over 650 member households; 500 dedicated volunteers; and a town of 16,000 engaged residents.

Promotion for our programs and events reaches a wide audience:

- 10,500 followers across multiple social media platforms;
- 30,000 visitors (est.) to our lands and properties each year;
- 17,300 users of the DRHS website each year (51,700 page views in 2020).

Promotion for our events is shared widely with the Duxbury community, DRHS membership and across the greater Boston area, South Shore, South Coast and Cape Cod.

Program Highlights:

- The sponsorship year is a calendar year: January 1 through December 31.
- Sponsorship accepted any time in the year; earlier is better to reach the widest audience possible.
- Your sponsorship will be included as support for all major programs and events scheduled during the current year, events like *Christmas at King Caesar* and *Clark's Island*.
- You receive recognition on our events website and acknowledgement in our printed newsletters, event flyers, and digital communications.
- Sponsorship in any amount is appreciated and helps to grow the DRHS.
- Sponsorship at higher levels has additional perks, including special tours and recognition.
- Current Schedule of Events at www.duxburyhistory.org/events.
